

Olson Elementary PTA Fundraising

Our PTA cannot do the things we do for our children each year without fundraising. We need money to support programs for our children, events for our teachers, and resources for our school. Help us meet our budget for the school year by participating in our fundraisers!

Our planned fundraisers for this year include:

- Book Fair
- Box Tops
- Chili Cook-Off
- Fall Ball
- Field Day Concessions
- Spirit Nights and Nothing Bundt Cakes
- Spirit Wear and School Supplies

Our 6th grade fundraisers help pay for 6th grade graduation. Those fundraisers include:

- Peppermint Village
- Val-o-grams

Help the PTA raise funds without spending any extra money yourself! Participate in these rewards programs:

- AmazonSmile – Instead of using the regular Amazon website, shop at smile.amazon.com using your existing Amazon account. Indicate that your purchase supports Olson Elementary PTA, and 0.5% of the purchase price comes to us!
- BBVA – Open an account at BBVA with at least \$100 and mention Olson Elementary PTA. If you make 10 debit card transactions of at least \$10, we will receive \$50. For any debit card transaction you make from that point on, we receive 0.25% of the transaction amount.
- Kroger – Stop by the customer service desk or go online and link your Kroger Plus Card to Olson Elementary PTA. Our code is PG221.

We know not everyone thinks fundraising is “fun”, so we have another option for you! By donating to our “No Fuss Fundraiser”, you can ensure we meet our budget and don’t have to add any fundraisers that involve selling door to door, baking, or delivering merchandise to your neighbors. It’s the easiest way to help us achieve our goals as a PTA with very little time from you!

No Fuss Fundraiser

- ___ \$15 I’m not a baker, so this is the money I would have spent buying cupcakes for a bake sale.
- ___ \$25 I don’t want to spend time standing in the hot sun while my child washes cars for other people and mine is still dirty. This money is worth a good car wash.
- ___ \$50 I don’t want to ask my family, friends or co-workers to buy popcorn and wrapping paper, so this is the money I would have spent on that.
- ___ \$75 I don’t want to ask for donations from businesses to do an auction, so this is the money I would have spent on that basket full of gift cards.
- ___ \$100 I wouldn’t have participated in any of these events, so this money is so you will forget to ask me.
- _____ I’m making this donation to express my appreciation for having nothing to sell door to door, bake, or deliver. I think it’s awesome that all I have to do is fill out this form.
